CWD Strengthens Advocacy as 18-Day Anti-VAW Campaign Kicks Off

24 November, 2025

Carcar Water District proudly participated in the observance of the 18-Day Campaign to End Violence Against Women (VAW), held nationwide from November 25 – December 12, 2025. The kick-off ceremony was held on November 24, Monday, at the CWD grounds.

As a visible symbol of CWD's solidarity and commitment, a campaign banner was raised in front of the office after the program, serving as a reminder to all employees and stakeholders of the importance of ending violence against women.

This observance is one of the key initiatives under CWD's Gender and Development (GAD) Program, reaffirming its dedication to promoting safety, equality, and respect for all women.

The program began with the flag-raising ceremony, highlighting and honoring remarkable women in history whose contributions continue to inspire generations. This was followed by the official kick-off program, which opened with the rationale delivered by GAD ExeCom Ms. Eddies C. Inot, emphasizing the importance of the campaign. She also presented the lined-up activities in support of this year's advocacy.
